

# CAPTAIN COUNTDOWN

Texas Breeders:

We want to "Thank" every breeder who bred to the "Captain" for the 2009 breeding season. 48 mares were covered last year for another successful breeding season. We want to continue the trend for 2010; therefore, we are holding the breeding fee at \$500. As in the past, we think this is the best value for the money in Texas. Our gray stallion continues to support the blue collar breeders of Texas. In 2009 the "Captain" had winners on synthetic, dirt, and turf surfaces. He finished the year ranked number 9 on the General Sire List in Texas.

For an update on our latest winners, go to [www.captaincountdown.com](http://www.captaincountdown.com) and click on the Winner's Circle tab.

Please consider booking your mares again and supporting Texas for 2010.
